POST CANCELLATION PROCEDURES

In the event that Football CQ declares the cancellation of a complete weekend of fixtures due to rain, all fixtures in that competition will be declared a 0-0 draw.

In the event of the cancellation or abandonment of a fixture due to rain, the following process will occur:

- The home club (if fixtures are played at a single venue the club listed first on the draw) will advise Football CQ of at least two (2) reschedule dates/times/venue options within seven (7) days of the cancelled match.
- The away club will provide a response to Football CQ within seven (7) days of receiving the options from Football CQ.
- If a home club fails to provide the options within the designated time, the game will be declared a forfeit and the points awarded to the away club.
- If an away club will not accept any of the options given, and does not provide a reasonable explanation as to why, the game will be declared a forfeit and the points awarded to the home club.
- Football CQ will rule on whether the Junior Non Competitive games will be replayed and will be responsible for rescheduling these games. Football CQ's decision will be final.

Football CQ will rule as to what is reasonable and the decision will be final.

If Football CQ believe a club is attempting to manipulate the above system, for tactical reasons, the club will be sanctioned by Football CQ for bringing the game into disrepute.

NOTE: In the event of the cancellation or abandonment of a fixture due to rain in the final four weeks of the regular season the club response timeframes, outlined in rescheduling process, will be reduced to three (3) days.
